

## **Rodborough Tabernacle URC**

### **Continuing to keep our Church Covid-Safe (*August 2021*)**

#### **To do this, we commit to:**

- Keep the church well-ventilated and well-cleaned
- Continue to provide socially distanced seating.
- Provide hand sanitiser for use on entering and leaving the building
- Encourage mask wearing while inside the building.
- We have not yet returned to full congregational singing, but people are invited to hum or sing along quietly behind their masks.
- Keep a record of attendance (in case there is a need for track and trace)
- Serve Communion elements in a Covid-safe manner

#### **We ask you to help keep church safe by:**

- Not attending church if you have any potential symptoms.
- Using the hand sanitiser when you arrive
- Wearing your mask whilst inside the church building
- Keeping socially-distanced from others out of respect for those who feel vulnerable
- Socialising outside rather than inside when possible.
- Being double-vaccinated, or taking a LFD test before attending and wearing a mask inside the buildings.

We will continue to monitor the situation and make changes which the elders feel are appropriate to keep everyone safe. Please speak to Eric or one of the elders if you have concerns or questions.
